Detailed description

On Saturday, 30 May 2025, the **11th miner's club party will take place on the Kristberg**. The party will again be organised around the mountain experience **"On the trail of Silbi"**. Monika Breuß-Dönnz guides (**1st tour**- 11.30 am - meeting place summit station of the Kristbergbahn - duration approx. 1.5 hours - **2nd tour** - 1.30 pm - meeting place summit station of the Kristbergbahn - duration approx. 1.5 hours) the interested children and parents **"over hill and dale"** while telling exciting stories about mining at the Kristberg and how it influenced the lives of the people. In addition, the team from **Color & Fun**, which paints bright colours onto beaming faces and makes funny animals out of balloons, will join in once again. The Silberspielwelt (Silver Games World) of over 1,000 m² and Silbi's **Hüpfburg** (Bouncy Castle) round out the playful offerings. Petra from **"Farbenzauber"** will also be there to do the children's face painting.
